COMPASS
PARTNERS IN LEARNING

Community & Family Engagement Services

Explore specialized services, experiences, and resources designed to strengthen connections among schools, families, and communities.

Family Fun Nights

Bring schools and families together through hands-on learning experiences that strengthen relationships and family engagement.

Family Voice

Create opportunities for open communication, meaningful family feedback, and stronger school-family relationships.

Escape Room Experiences

Build empathy, teamwork, and problem-solving skills through immersive, story-based learning experiences.

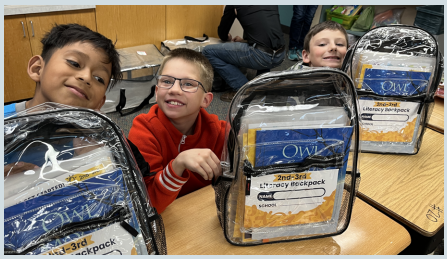

Family Friendly Walk-Through

Bring families and school staff together to celebrate strengths, gather feedback, and create more welcoming school environments.

Family Engagement Leadership Teams

Bring educators, families, and community members together to build lasting partnerships that support student success.

Science of Reading Family Engagement Resources

Connect families to literacy learning through customizable resources, family events, professional development, and support.

All services can be customized to fit your district's or school's needs
